

A hand-drawn map on a white background. A horizontal line runs across the middle. A path is drawn with arrows: it starts at the top left, curves right, then goes down and right, then down and left, and finally up and left. There are four crosshair markers: two at the top (one on the curve, one on the right) and two at the bottom (one on the left, one on the right). The text '1959 Igdlorssuit Kayak Station 7' is written in the upper right area.
